(Welton. L. M.)

C. H. A. Malan

1. Why do we waste on trif - ling cares
 2. Shall God in - vite us from a - bove?
 3. Not so our eyes will al - ways view
 4. Al - might - y God, Thy grace im - part;

That life which God's com - pas - sion spares,
 Shall Je - sus urge His dy - ing love?
 Those ob - jects con - vic - tion now on pur - sue;
 Fix deep con - vic - tion on each heart;

While in the var - ious range of thought,
 Shall troub - led con - science give of us pain?
 Not so will heav'n and hell ap - pear,
 Nor let us waste on trif - ling cares

The one thing need - ful is for - got?
 And all these pleas - u - rite in - vain?
 When death's de - ci - sive hour is near.
 That life which Thy com - pas - sion spares.
