1. Heav - en is not far a - way, When Je - sus is near;
 2. Will you not re - pent, be - lieve, When Je - sus is near?
 3. Are you com - ing home to - day, When Je - sus is near?

Give your heart to Him to - day, When Je - sus is near.
 Peace and par - don now stay re - ceive, When Je - sus is near.
 Do not lon - ger stay a - way, When Je - sus is near.

Place your trust in this dear Friend, He will keep you to the end;
 He will not in your pray'r re - fuse, Come and now the Sav - iour choose;
 Cast your bur - dens on the Lord, He has pro - mised in His word;

Heav - en is not far a - way, When Je - sus is near.
