1. Guide and guard us, O our Fa - ther, Till an - oth - er Sab - bath - day;
 2. Now we thank Thee for Thy bless - ing On this sa - cred day of rest,
 3. Ev - 'ry day and ev - 'ry mo - ment We are safe if Thou art near;
 4. We will trust Thy con - stant watch - care, For Thou know - est what is best;

Shield us with Thy ho - ly pres - ence, Lead us in the right - eous way.
 And for truths which Thou hast shown us In Thy word di - vine - ly blest.
 From all dan - ger Thou canst re - scue, In our sor - rows Thou canst cheer.
 O, for - ev - er guide and guard us, Till we reach our fi - nal rest!

“The Lord knows the future.
 He is the One to lead,
 and trusted in to guide, to guard,
 and direct in the future development
 of the various branches of His work.”
