

BE NEAR US

(Wilmot. 8s & 7s.)

Thos. Kelly

C. M. Von Weber

1. God of our sal - va - tion, hear us; Bless, O bless us, ere we go;
 2. May we live in view of heav - en, Where we hope to see Thy face;
 3. As our steps are draw - ing near - er To the place we call our home,

When we join the world, be near us, Lest we cold and care - less grow.
 Let Thy Spir - it's light be giv - en, All our hid - den paths to trace.
 May our view of heav'n grow clear - er, Hope more bright of joys to come.

“Tell of His power, sing of His matchless love.
 In every trial He will be near you,
 and will give grace and power according to your need.”
