

GOD LOVES US

(Webb. 7s & 6s. D.)

Samuel Partridge

Geo. J. Webb

1. How dear - ly God doth love us, And this poor world of ours,
 2. He bids the sun to warm us, And light the path we tread;
 3. The Bi - ble, too, He gave us, That tells how Je - sus came,

To spread blue skies a - bove us, And deck the earth with flow'rs!
 At night, lest aught should - harm us, He guards our low - ly bed.
 Whose word can save and cleanse us From guilt our sin and shame.

There's not a blos - som low - ly, Nor bird that cleaves the air,
 He gives our need - ful cloth - ing, And sends our dai - ly food;
 O may God's mer - cies move us To serve Him with our pow'rs;

But tells, in ac - cents ho - ly, His kind - ness and His care.
 His love de - nies us noth - ing His wis - dom deem - eth good.
 For O, how He doth love us, And this poor world of ours!
