“The truth of God received into the heart is able
to make you wise unto salvation.
In believing and obeying it you will receive grace sufficient
for the duties and trials of today.
Grace for tomorrow you do not need.
You should feel that you have only to do with today.
Overcome for today;
deny self for today;
watch and pray for today;
obtain victories in God for today.
Our circumstances and surroundings,
the changes daily transpiring around us,
and the written word of God which discerns and proves all things—
these are sufficient to teach us our duty
and just what we ought to do, day by day.
Instead of suffering your mind to run in a channel of thought
from which you will derive no benefit,
you should be searching the Scriptures daily
and doing those duties in daily life which may now be irksome to you,
but which must be done by someone.”
