

## WEARY OF EARTH

(Langran. 10s.)

Samuel J. Stone

James Langran

1. Wea - ry of earth and la - den with my sin,  
 2. The while I fain would tread the heav'n - ly way,  
 3. Cease, rest - less will! thy lone - ly strife re - sign!

I look to heav'n and long to en - ter in;  
 E - vil is too heav' ev - er with me day by day;  
 I know too well how lit - tle strength is mine;

But there no e - vil thing may find a home:  
 Yet on mine ears the Thy gra - cious ti - dings fall;  
 Grant me, dear Lord, Thy sav - ing love to see:

And yet I re - hear a voice that bids me "Come."  
 "Re - pent, I no turn, thou shalt be loos'd from all."  
 I strive no more, I give my self to Thee.
